**PROPOSED AMENDMENTS TO THE MUNICIPAL CODE OF ORDINANCES,
AMEND CHAPTER 15.44 FLOOD DAMAGE PREVENTION**

Mr. Urquidi said that the new FEMA map requires ordinance changes. He incorporated the DEP regulations into the original ordinance. There are requirements that FEMA requires for assistance in the case of hurricanes and earthquakes. The maps come out on June 18th. They need approval so that they are not suspended from the FEMA program.

Councilmember Vizzo-Paniccia asked about the effect on Oxbridge and if this was city-wide. Mr. Urquidi said it was city-wide. If they are going to get FEMA funding for flood control problems, they need this in place. Regarding Oxbridge, it is considered to be a dam, and FEMA doesn't fund dam projects.
